

## August Update

### **Thank you for making Research Month a Success!**

The WMFC received well over \$16,000 in donations to our research month campaign. We had several lovely notes in addition to your generous support. We are well on our way to being able to support all the research that the WMFC hopes to be able to invest in. Thanks again.

**Thank you to the Bing Centre of the DFCI**

The WMFC has been very fortunate to have the Bing Centre's Drs. Hunter, Treon and Castillo attend a variety of our support group meetings this summer. We hope that Canadian WMers have enjoyed the opportunity to speak directly to these leaders in WM research and treatment.
