

PARTICIPANTS NEEDED FOR COVID-19 VACCINE STUDY

We are looking for volunteers to take part in our study:

The VIP Study

A prospective multi-site observational study of SARS-CoV-2 vaccination immunogenicity in patients with hematologic malignancies

You can participate if:

A) You have a diagnosis of hematologic malignancy

AND

B) You intend to receive the COVID-19 vaccine

OR

C) You have already received any number of doses of the COVID-19 vaccine

If you are interested and choose to participate, you would be asked to:

- Answer online questionnaires/safety questions (if applicable) online or via phone
- Attend x 1 blood draw (typically blood drawn during your clinic visit)
- Self-collect and mail-in **Dried Blood Spot samples** that will be tested for COVID-19 antibodies

For more information and to sign-up, please visit our website: <https://omc.ohri.ca/VIP>
